Invitation to Attend:

Morris Register of Queensland Inc.

We wish to invite you to participate in the 21st National Rally of the Morris Registers of Australia in conjunction with the 2nd Australasian Rally of the Vintage Minor Register. The events are being hosted by the Morris Register of Queensland in the sunny Fraser Coast Region during Easter 2018. Established in 1978, it will be the Queensland Registers 40th year promoting the use and restoration of Morris vehicles. These National Rallies are only held every two years and are very welcoming.

The Register warmly welcomes all participants to a weekend of competition, cruising and socialising along the Fraser Coast. The Fraser Coast Regional Council is being very supportive and helping us find interesting areas for our tours, without travelling along too many busy highways. So come along and catch up with old friends and meet many new friends all with a similar interest.

The entry form is included and should be returned shortly to help our planning.

Regards,
Colin Schiller

President,
Morris Register of Queensland Inc.

On behalf of the Fraser Coast Regional Council:

As the Divisional Councillor for Division 7 of the Fraser Coast Regional Council and with the portfolio of Sport, Recreation, Open Space & Events, I have been asked by the Morris Register of Queensland Inc to support their Club in hosting the National Rally on the Fraser Coast, Queensland in 2018.

I understand the National Rally is held every two years during the Easter break and in 2016 the event is being held in Warrnambool, Victoria with attendees coming from around Australia.

Our area has a lot to offer and I hope you will lengthen your stay to see and learn about our historic Maryborough with its fine old Queenslander houses, heritage public buildings, lazy fishing towns and of course our most famous attraction, World Heritage-listed Fraser Island.

As representative of the Fraser Coast Regional Council it is an honour for our area to be holding this prestigious event on the Fraser Coast in 2018 and I look forward to meeting you and viewing the historic vehicles.

May I offer you a hearty Fraser Coast Welcome.

Darren Everard
Councillor, Portfolio Councillor for Events,
