Autumn Tour and Driving Tests – Sunday 13th September 2009

Supplementary Regulations

At this year's Autumn Tour and Driving Tests, we will be exploring rural Cheshire, courtesy of our kind hosts James and Christine Peacop.

Based at the wonderful Mouldsworth Motor Museum mid-way between Chester and Northwich (MR 117/503704), the event will combine a Tour through the delightful Cheshire countryside with a few Driving Tests at different locations along the route. The Tests will be gentle on both car and brain, and will aim to provide stimulation without dizziness, as well as entertainment for driver and passengers alike!

There will be a lunch stop along the way at a local hotel; lunches can be pre-booked for those who would like them.

Back at the finish, there will be tea and cakes and the Section's Annual General Meeting. The Museum will also be open for you to have a look round – but be warned, the fascinating exhibits may keep you engrossed for hours!

The rough timetable for the day is as follows:

- Signing-on and scrutineering will open at 8.45 a.m.
- Cars will leave start from 10.15 a.m. and complete an opening test before following the route to the lunch halt
- After lunch, the route will continue to the next Driving Test venue, and from there back to a final test at the finish
- Cars will arrive back at the finish from around 4.00 p.m. onwards

We are not organising camping at this event, but details of campsites and other accommodation can be found by visiting www.visitcheshire.com or contacting either the Chester Tourist Information Centre on 01244 402111 or the Northwich Tourist Information Centre on 01606 353534.

Entries will close on Friday 28th August.

Marshals are invited to contact Charlotte on 01386 841646 or email compsec@vintagelightcar.com

We look forward to seeing you there!

SAFETY, HEALTH, ENVIRONMENT AND FIRE (SHEF) AT
THE VINTAGE SPORTS CAR CLUB (VSCC)
AND DURING VSCC EVENTS

The VSCC Policy Statement

The Directors and trustees of The Vintage Sports-Car Club (VSCC or The Club) recognise and wholeheartedly accept their moral and legal obligations and responsibilities with regard to health, safety and the environment.

It is the Policy of the VSCC to operate in a positive culture of safety, health and environmental protection throughout its entire business and sporting activities. To this end the Club will coordinate all relevant activities under the collective heading of Safety, Health, Environment and Fire or 'SHEF'.

It is the policy of the VSCC to take all reasonably practicable steps to:

- Provide adequate control of the health, safety and environmental risks arising from our activities;
- Consult with our employees on matters affecting their health and safety;
- Provide and maintain safe plant and equipment;
- Ensure safe handling and use of substances;
- Provide information, instruction and supervision of employees;
- Ensure all employees are competent to do their tasks, and to give them adequate training;
- Prevent accidents and cases of work-related ill health;
- Maintain safe and healthy working conditions;
- Protect the health and safety of others who may be affected by our activities;
- Deal with waste and pollution in an environmentally responsible manner;
- Review and revise this policy as necessary at regular intervals.

In pursuance of this policy the Club will progressively identify all hazards, assess the risks and take measures to reduce risk. Motor sport is spectacular and exciting, providing enjoyment to competitors and spectators alike but there are many aspects of the sport which carry inherent risks. These risks cannot be totally eliminated and emphasis must therefore be placed on controlling the risks through effective risk management systems. The purpose of such Risk Management will be elimination of the risk where possible or reduction of the risks So Far As is Reasonably Practicable (SFARP) where it cannot.
